Title: Awesome God

Meeting: Freshwaters

Date: 09/07/2017

Introduction

Today I want to take a break from talking about the Kingdom and instead turn my attention to the God whose Kingdom we have been learning about.

My apologies for those who follow notes rather than listen online or are actually here, but I feel to talk strait from the heart this morning, so my 4 point sermon has 4 points and a few scriptures – I'm afraid that's all you'll get – o and yes a definition.

Definition of Awe – Collins Concise Dictionary - A mixed feeling of reverence, fear and wonder, caused by something sublime (Noble, exalted, majestic).
